

SCHOOL READ-A-THON EXPRESS

FUNDRAISING PROGRAM

DID YOU KNOW?

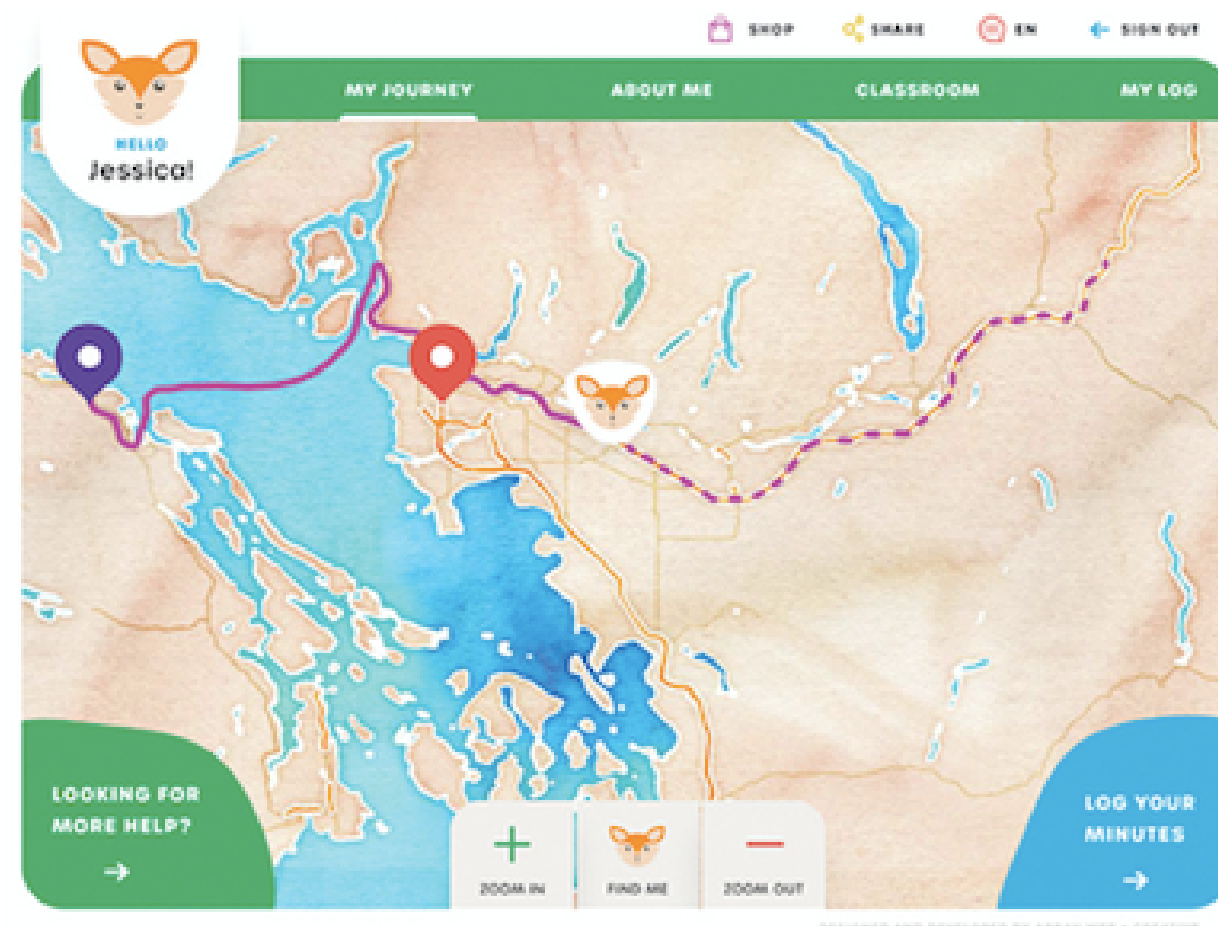

You can raise so much money just by focusing on READING!

- Kids **focus** on **reading** instead of selling a product.
- For **every dollar** raised, **one minute** will be read!
- Even friends or family out of town can **support** your reading efforts.
- All the money and reading minutes are handled and tracked **for you - online!**

HOW IT WORKS

- The students get **one day to fundraise the money** through their school's customized online campaign page ran by a third-party online fundraising site named "FundRazr".
- **The following day**, each class will get the total of minutes that need to be read for the following week, depending on how much money they have raised collectively. As the students read on a daily basis in their classroom, the teacher logs in their minutes at the end of every day to accomplish their reading adventure goal across Canada or the World.
- **After the full week of reading**, a winner will be announced of which class: read the most minutes + fundraised the most money + traveled the furthest on their reading route adventure.
