

Date: _____

Dear local business _____,

Waverley Elementary School's PAC is hosting a Read-A-Thon fundraiser in partnership with Mind Growth Education to raise money for much needed technology updates for our classrooms. The iPads and Apple TV's will support student learning by engagement in interactive, curriculum based, individual and group activities and projects. Our students are going to read books for two weeks, as well as virtually travel across Canada, all the while we fundraise for our school! Our Read-A-Thon event starts on Thursday, March 31st, 2022 and ends on Thursday, April 14th, 2022. 85% of the profit will go to our school. In addition to raising funds for our school, the non-profit organization, One Tree Planted will plant a tree for every 25% of the reading challenge a class completes along our "Read Across Canada" reading adventure route. There's no extra work or cost for the student/families — Just make sure the students keep reading!

Mind Growth Education is a company that has a big passion for improving literacy in Canada. We are excited to work with them to help raise money for our school and to show children the importance of reading and global reforestation!

We are ready to read! Would you like to sponsor our school? If so, please go to <http://fundrazr.com/waverleyreadathon> to contribute!

Thank you so much for your sponsorship!

Holly Cruise, Appointed Read-A-Thon Fundraising Organizer, Waverley Elementary School

Isabelle Baril, Mind Growth Education Representative
